

SICK POLICY

For your child's health and the health of all children in the Frederick County Infants and Toddlers Program, please notify your service providers if your family or child is ill. You should cancel services if your child has been vomiting or has had a fever (over 100 degrees) within 24 hours of his/her appointment. If your child's illness is being treated with antibiotics, allow 24 hours from the start of medication before receiving our services. Please contact your child's service coordinator or service provider to cancel and reschedule therapy appointments.

If you are unable to reach your child's providers, please contact FCITP's front desk at 301-694-1611.
